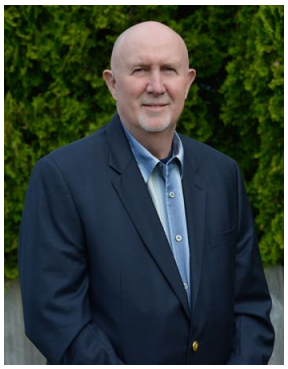
President's Message

November 8, 2016



Being in service to Rotary International is another way of using your time, talent or money in a way which serves the world and its people. Board directors Stephanie Kilmer and Ed Meyer serve to direct committees involved in such things as international service and activities involving our Foundation. This year will record our Foundations 100 year anniversary. Let's all help in the celebration!

Yours in Rotary Service, President Dane
