President's Message

January 3, 2017

The new year is upon us! I hope each of you enjoyed the Holidays! The new year comes with unique opportunities to be in service to our communities. Please complete the survey so you are assigned to an area of service which melds with your individual mission statements.

Yours in Rotary Service,
President Dane

Today's Program

The Coos Foundation is the local Rotary Foundation established by local Rotary Clubs and community members years ago. The foundation mission is to achieve our purpose through the wise and careful management and distribution of permanent charitable funds on behalf of generous donors. These philanthropists are individuals, families, and business. People Helping People. Find out just how much it has benefitted our local area since being established.

More Accolades for Our Foundation by Charles Root

The wonderful projects Rotarians have been doing over the decades are being recognized by others. Earlier we reported that rating agencies like the Better Business Bureau and Charity Watch continue to give us their highest scores. This year, not only did we receive the top 4 star rating from Charity Navigators but they gave us a perfect score of 100%. Now CNBC has increased our ranking in their top 10 Charities in the World from #5 to #3. Stating that we are *"doing exceptional work both at home and abroad all while maintaining top-notch financial management and transparency standards."*
