## President's Message January 31, 2017

It is a mystical experience when one is able to be in service to his fellow man. I know that each Rotarian desires Health and Happiness, qualities found as a person enriches his communities!

Yours in Rotary Service, Dane Smith

## Meet the Candidates

We will hold Elections for the 2017-2018 Rotary Year February 7th at the regular club meeting. There are four Directors positions up for election. These are your candidates.

**Russ Clark:** I have run a State Farm office in Coos Bay for 27 years. I have been an active member of this club for 26. I have ran many successful projects for this club over the years and been on the board several years. I was president in 2011-2012 and attended the International Convention and learned many things about Rotary, both on the local and international level.

**Bogue Morgan:** I first joined Rotary in 1983 in Kenai, Alaska where I was one of the charter members and the Secretary Treasurer. After moving back to Oregon in 1989 I also became a member of the Gold Beach, OR Rotary Club in 1990 and remained an active member there until I moved to Coos Bay and then joined the Coos Bay-North Bend Rotary Club. I have been an active Board member for the past 4 years and would like to continue serving on the Board as a Director. I am a retired Commercial Banker and enjoy staying active in the club and helping out on the Board and various committees.

**Ron Stillmaker:** I was raised in North Bend, acquired my degree in Civil Engineering from OSU, received my MBA from Portland State through a SWOCC outreach program. I worked briefly in Newport and Pendleton, then returned to North Bend where I held a variety of managerial positions for 19 years. After leaving the city, I became a private consultant before going to work for SHN Consulting Engineers and Geologists. I've been involved in Rotary since 1990, am a past board member and past president. I would like to again serve the Club on the board. I enjoy being involved with the inner workings of the Club and believe we have a great organization. I would like to see it continue as an energetic and dynamic club.
