President's Message

August 15, 2017

It is with deep sadness that I report the passing of our friend, and Rotarian Richard "Mac" McIntosh, following a lengthy fight with Stage IV Pancreatic Cancer. Mac touched so many lives in this community. Especially the student athletes that he coached for the past 10 years at Marshfield. Mac, not only was their Track Coach, he was their mentor.

Mac will be sorely missed in our club and our community. The legacy he leaves behind is honorable. The family has requested contribution in lieu of flowers to his last legacy, Tribute Hall on MHS Campus. Information about the project is available on <http://piratecoach.wixsite.com/tributehall/our-vision>

Yours in Rotary Service,
President Steve

Rotarian Mac McIntosh Remembered

The community and club lost a member and friend this weekend with the passing of Richard “Mac” McIntosh. Mac joined the Coos Bay-North Bend Rotary Club in 2007. He was an active member, bringing the club the opportunity to host the Prefontaine-Rotary Invitational Track and Field Meet in April. In the photo, Mac is seen working with a work group who desired to bring a signature project to the club that would have been a Festival of Tall Ships. It was eventually undertaken by another non-profit organization. He had also proposed a joint project for the communities of Coos Bay and North Bend to pay tribute to veterans from the two high schools. That project has now been taken on by a grass roots organization and targets the MHS campus. If you would like to make a contribution, the website link is included in President Steve’s Message. A community memorial service will be held in Coos Bay at an unspecified date.

Board Takes Up Filling Vacant Position Thursday

President Steve has received multiple emails of interest for the vacated Board Position. The position was left vacant when Eva Shimotakahara moved up to Vice President. It will be filled at the 17th Board Meeting.

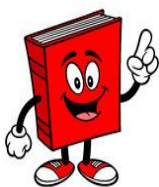

GREETERS
