President's Message

October 10, 2017

Plan on joining us for our 2nd Rotary After Hours, Tuesday evening, October 10, at The Coos History Museum. Susan Tissot and her crew are excited to host us. This event will kick off at 5:00 pm and will offer a nice spread of hors d'oeuvres along with some tasty wine and other beverages. This event counts as a makeup for a Club meeting you might have missed.

Did you hear the good news? We have been informed by the District Grants Committee that we were successful in obtaining our Gift of Literacy Grant. This is a multi-club grant, which is led by our club. Chris Christoffer and the GOL Team spent many hours working on the \$18,000.00 Grant. It will enhance the education of our youth. Congratulations to all involved.

President Steve

Today's Program

Dr. Ron Metzger will discuss local geology and the Cascadia Fault. He has been teaching at SWOCC since 1996, and leads the Geology Lecture Series. (Photo Credit: The World)
