Dec 9, 9am, TBA

**President's Message**

October 17, 2017

It is High School Civil War Week. The big game is Friday night at North Bend. I hope to see many Rotarians at the game rooting for your favorite team.

October is National Fire Prevention Month. Make sure you check your smoke alarms to ensure that it is clean and operating properly. It is a good time to practice your escape plan if you have one for your house. If you don't, now would be an excellent time to create one.

Finally, at the bottom of the page you will find information and ways to make a tax deductible contribution for Fire Relief in California.

President Steve
