President's Message

March 27, 2018

Dear Rotarians.

I wanted to take a quick moment to talk to you about giving to the Rotary Foundation (TRF). It is a 501(c)3 making your donation tax deductible. When you donate, 50% of your contributions will come back to be used for District Grants in three years. It doesn't take too much to have an impact. When your thinking about a charity, I ask you to consider TRF. Your donation of as little as \$10 per month can literally mean the difference between life and death. Please support TRF.

President Steve

How to Give to the Rotary Foundation by Pres. Steve

The goal of the club is to have every Rotarian give to the Rotary Foundation every year. Did you know that when you give to the foundation, half of what we donate comes back to our District in 3 years? That money is used as matching funds for our local and regional projects; such as the Gift of Literacy project that is coming up in May and past projects like Dental Service and Shots for Tots. Giving is easy. Donate \$50 or \$100 by check to the club or Direct [to Rotary International HERE](#).
