### President's Message

April 17, 2018

By President Steven Schneiderman

It is time for our club's annual fundraiser. I am has gone into putting it together. There is still time to purchase tickets.

Also, I wanted to take a moment to thank all the Rotarians and our Rotary families who volunteered their time for this past weekend's Prefontaine Rotary Invitational Track meet. What a spectacular event it is. We also have an event on Monday. Check the Event Calendar in your bulletin to keep up to speed each week.
