A FAMILY OWNED BUSINESS SERVING
COOS COUNTY FOR OVER 100 YEARS

Two club leaders recently completed the Rotary Leadership Academy in preparation for their upcoming Rotary Presidencies. Incoming President Ed Meyer and Pres. Nominee Eva Shimotakahara completed an intense, Masters Degree-type course from September through April. The online course takes Rotary leaders through all aspects of Rotary. It also teaches them what tools are available, and how and when to use

them. Each lesson must be successfully completed before participants can start on the next online lesson. Only 6 of the 12 who started, finished the course.

Club Wins District Awards

President Elect (shown in the left photo) collected several awards at the District 5110 Conference that was held in Ashland this past weekend. The Coos Bay-North Bend Rotary Club was named one of the Top 3 "Large Clubs." The district, which covers central and southern Oregon and a portion of northern edge of California, has 68 clubs. The district also recognized the good work our membership committee is doing in the area of recruitment and retention. The club was recognized as one with the "Largest Growth of a Club."
