President's Message

Sept 11, 2018

Dear Rotary Members & Guests:

Our summer is officially over, with the Fall season upon us. We have had a very busy summer with vacations, etc. along with our Crus the Coos, Show and Shine and our annual Picnic. It seems like we can just relax, however upcoming we have our annual Christmas Tree auction, and a great deal of work goes with that. This function takes about half or more of our club to make it work, and there will be more information in the future. We also have our annual Rotary/K-Dock Bus Jam coming up which will take a major share of our members to make it work. Stephanie and her K-Dock crew are a major help in this, but all of us together make it work. Our Past President Steve Schneiderman has volunteered to chair this event, and it is a lot of fun. These items and more will take up our fall into winter, so it looks like we will be busy.

All these work projects and fun times takes a good share of our members, but we all have a good time working and laughing together, and that is part of the reason Rotary is good. The other good part is we know we are helping others that need our help.

Some of us went to Springfield for the Membership conference on the 29th of September. Will give you all a run down at our regular meeting.

Thanks again to all.
Ed

Rotary & the Community Concert Series

Carrying forward the resounding success of last year when our Club stepped in to help manage the Coos County Community Concert Series, the 2018-19 season opens next week with the group **Vocal Trash** – **Tuesday, October 9 at 7:00 PM at the Egyptian Theatre.** This urban-themed Broadway style production performs on custom instruments made from recycled materials.

A season ticket for all four concerts still only costs \$60 and can be purchased on line (www.CCCCA.com) and at Farr's True Value.

On **Wednesday, October 10, at 8 AM**, a meeting of the Concert Committee will be held at the office of Mike Gordan, CPA to select programs for the 2019-20. Anyone interested in being a part of the selection process is welcome to attend.
